(I would also recommend attaching a sample written on fountain pen friendly paper)

*Flat Rate Priority shipping is included to the continental U.S. If you would like another shipping method it will be at your cost. Please make note on this sheet if you would like a different shipping method.

*Please be aware that any customization to a pen has the great possibility (depending on manufacturer) to void any factory warranty or any other warranty the pen may have prior to being sent for customization.

*Please note before any refund can be considered the pen must be returned to me (first return I will cover all shipping) in order to fix any issues you feel exist with the grind I have done. My goal is to give you an amazing nib!

*Be aware a refund will NOT be awarded if you are unhappy with a grind due to characteristics which are typical for the given grind you have requested. Please ask any questions prior to sending out a pen if you are unsure about the nature of the grind you wish to have put on your pen.
